

Gareth Bowen's Music Collection (aka inter alia gothiclight)

www.garethbowen.co.uk www.thesextree.co.uk/gothiclight

Rating system 1 -10. 0 being dislike/shouldn't have bothered, 1 being barely tolerable just 'in the zone' and 10 being best, awesome, great. if I haven't rated yet its because I forgot what my listening scale was and needs to be redone and the stuff was good anyway and put up to find more compatible dating matches *inter alia as still single, still available, and still here and not forgetting music I like can either get good or not at various points. So how I'd rate from one moment to the next can fluctuate.*
